

DOÑA ANA COUNTY HEAD START

FIELD TRIP GOALS

Plan Field Trips that Assist Young Children in:

- Expanding their interests
- Developing observation skills (see, smell, taste, touch, listen)
- Gathering new knowledge
- Broadening knowledge of their community and culture
- Expanding their understanding and respect for all people
- Discovering similarities and differences
- Learning about different occupations/careers
- Meeting adult role models from different cultures and with different abilities
- Role playing new roles
- Learning new things
- Discovering and naming new objects
- Increasing their vocabulary
- Enriching their experiences and encourage play and learning
