

Center Team Input

Hello Staff, it is time for our Monthly Center Team Meeting. I would like you to take a minute and reflect on the past three weeks and fill out this input sheet. Please return a copy of it to me by Thursday of this week. The information you want to share is important for the growth of our team and should be written with the idea of helping us to serve our families better.

Stop and reflect on this last month's job group training or other trainings that you have been involved in. Please share information that is important to our team.

Please share any positive experiences with team members that have helped you to get your duties done.
